- ✚ Cyber Hygiene is no less important!
- ✚ It's important that we all practice it.
- ✚ Parents need to be vigilant about their little ones before they themselves master the art of differentiating between an alluring evil and a shabby prophet!
- ✚ <https://github.com/trainerpb/kidwatch> contains an interesting project, where parents can monitor their kids' cyber activities.
- ✚ Let's brainstorm & try to add features to it.
